All Adult Channel (www.alladultchannel.com) is a leading provider broadband video-on-demand for the adult market. All Adult Channel legally offers content from a library of more than 2,000 feature length titles from top studios including Vivid and Redlight. Content is available for stream or as a progressive download which lets users keep the file or play it back in a matter of seconds. Users can rent and buy individual titles or subscribe to a monthly or annual membership pass for unlimited access.
